3. Install computers on network
4. Fix and configure software
5. Print and configure AutoCad documents

Dr Gordon Schneider
Web Designer January 2000 -Febuary 2000

Design a website for Dr Schneider's dental practise. I created a webspace on Xoom.com where the website resides,since Dr Schneider did not initially do it. HoTMetaL PRO 4.0 is the design tool I used to create his dental site.

Mrs Erica Travis, Montreal
Computer Consultant, September 1998

Fix her CD-ROM drive and install and configure software. The client inadvertently shoved a CD into the CD-RON bay. Client had an old style CD-ROM with a removable bay door. I had to remove it the drive and take out the disk and reinstall the drive.

Mrs Erica Travis, Montreal
